

Hong Kong 2026/27

Hong Kong International Schools Leadership Programme

Chris Jansen
Facilitator

Kasson Bratton
Facilitator

Overview

"How do we enhance innovation through facilitating collaboration across international schools in Hong Kong?"

A one-year leadership learning experience for aspiring Senior leaders from International schools across Hong Kong. Expressions of interest are open now for our next cohort starting in October 2026. This initiative focuses on existing and emerging leaders (Heads of Departments, Year Level Leaders, Coordinators, Team leaders, etc) who are interested in considering a role as a Senior leader in the future.

Programme

- Three 1 day face-to-face workshops
 - Workshop 1: Friday October 16th 2026 @Hong Kong Academy
 - Workshop 2: Wednesday February 24th 2027 @Hong Kong International School
 - Workshop 3: Thursday May 20th 2027 @American School Hong Kong
- Personalised Leadership Inquiry project
- Clifton Strength profile and online coaching session
- Gel sessions within each school are facilitated by a senior leader from your school.
- Scheduled visit with a leader in another school with a similar area of interest

Content themes

- Leading Self: strengths, vision, values, wellbeing
- Leading Others: building effective teams, growing collaborative culture, resolving conflict, peer coaching and facilitation skills
- Leading Change: teacher development and quality pedagogy, change management, design and innovation for impact.
